

Online Safety Policy

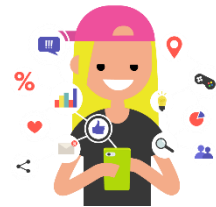

What is Online Safety?

Online Safety means keeping **safe** whilst using the **internet** and **technology**.

Why is this policy important?

To make sure that all CareTrade learners feel **safe** when using technology.
To know the rules and their responsibilities when online.

What are our responsibilities?

Nobody should use any **inappropriate websites** on laptops or phones.

Nobody should send any **rude** or **unnecessary** messages to other learners or staff.

Nobody should give any online **strangers** your **personal details**.

ALWAYS TELL A MEMBER OF STAFF IF YOU DON'T FEEL SAFE
